-----

### **I. Information about cookies:**

1. Service does not collect automatically any information, except for information contained in cookies.
2. First of all, the following data are processed: IP address, URL request address, domain name, device ID, mobile advertising identifier, browser type, browser language, number of clicks, amount of time spent on individual websites, date and time of using the Website, type and version of the operating system, screen resolution, data collected in the server logs, and other similar information.
3. Cookies (so-called "cookies") are IT data, in particular text files, which are stored in the Website User's terminal equipment and are intended for using websites of the Service. Cookies usually

contain the name of the website, from which they originate, their storage time on the terminal equipment and a unique number.

4. The entity that places cookies on the Website User's terminal equipment and obtains access to them is BoostHigh Sp. z o. o. [LLC], with its registered office in Bydgoszcz (85-145), at Bydgoskich Przemysłowców 6 Street, entered into the National Court Register kept by the 13th Economic Department of the District Court in Bydgoszcz under NCR number 0000745040, NIP [National Tax Ident. No.] 953-275-37-04.
5. Cookies are used in order to:
  - a. adapt Web content to user's preferences and optimize the use of websites; in particular, these files allow to recognize the user's device and display the website appropriately, customized to their individual needs;
  - b. create statistics that help us understand how Users use websites, which allows you to improve their structure and content;
  - c. maintaining user's Service session (after logging in);
6. The website uses two basic types of cookies: "session" (session cookies) as well as "persistent" (persistent cookies). "Session cookies" are temporary files that are stored in the terminal equipment of the user until you log off, leave the website or disable the software (Web browser). "Persistent" cookies are stored in the terminal equipment of the user for the time specified in the parameters of cookies or until they are removed by the user.
7. The user can at any time change your cookies settings. These settings can be changed, in particular in such a way as to block the automatic handling of cookies in the browser settings or inform about their each posting on Website user's device. Detailed information about the possibilities and ways of handling cookies are available in the software settings (Web browser).
8. The Service provider informs that the restriction of the use of cookies may affect some functionalities available on the website.
9. Files (cookies) used by the website (placed in the user's terminal equipment) can be made available to its partners and advertisers cooperating with it.
10. More information on cookies is available at [www.wszystkoociasteczkach.pl](http://www.wszystkoociasteczkach.pl).

## **II. Information on approvals for the installation of cookies and for the processing of personal data in order to display targeted advertising.**

1. Accessing the site by taking action to read the content contained in it, you consent to the processing of personal data by BoostHigh Sp. z o. o. [LLC] for marketing purposes, in particular for displaying targeted advertising.
2. The lack of expressed consent may result in a greater number of ads, largely unmatched to the needs of the user.

3. Please note also that your use of the site without changing your browser settings means that you consent to the saving of cookies on the terminal equipment. These files are used among other things for: analytical purposes, matching content and marketing.

4. The data obtained by using cookies is processed on the basis of the relevant legal basis and in particular for:

- on the basis of the legitimate interest of the BoostHigh for own marketing activities to fit the content and advertising, for analytical tests for marketing purposes, for the analysis and testing of traffic on the site, to ensure the safety of services, in order to take the rights and claims ;

-----

## **PRIVACY POLICY**

**This privacy policy ("Policy") explains the rules regarding confidentiality and security of personal data, as well as other confidential information and it contains information about the processing of your personal data in the BoostHigh Spółka z ograniczoną odpowiedzialnością [LLC] company with its registered office in Bydgoszcz, hereinafter referred to as the "Company":**

### **Privacy Policy:**

The company processes personal data and confidential information with respect for the privacy of persons, whose data is processed, taking care of the interests of /the website users / customers and contractors and security of shared data. The company applies all necessary organisational measures,

legal and technological, in order to ensure the adequate protection of personal data and other information entrusted to it.

Implementing the confidentiality policy, we use the following methods of securing information:

**technological security** – including among others antivirus software, password policy, data encryption, security of premises and cabinets that store documents

**legal security** - including, among others appropriate statements and provisions in contracts with employees and cooperating entities, special internal procedures

**organizational security** - including among others the access to documents only by the authorized persons, transmission of documents using appropriate confirmation procedures, additional information contained in correspondence, destruction of documents using appropriate equipment, building protection, detailed register of entries and exits of employees and other persons

Employees and associates of the Company are obliged to maintain full confidentiality of all data of the Company's customers and contractors, including personal data, as well as all information related to concluded contracts, commercial offers, conversations and documents.

Contact data provided through the Company's website is provided by Users voluntarily, and Users consent to their processing by the Company for marketing purposes (including providing information about new offers, products and services). At the same time, Users agree to provide them with advertising materials about other services provided by the Company.

The website does not automatically collect any information, except for information contained in cookies. Cookies are used with the user's consent in order to:

- collect and process personal data in order to display personalized ads,
- analyse traffic and advertising statistics on the website,
- ensure the user's session is maintained.

**Obligation to inform:**

In connection with the implementation of the requirements of Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and the repeal of the Directive 95/46 / EC (General Data Protection Regulation "RODO" [GDPR]), we inform about the rules of processing your personal data and about your rights related to it:

1. The administrator of the personal data provided by you is BoostHigh Spółka z ograniczoną odpowiedzialnością [LLC] with its registered office in Bydgoszcz at Bydgoskich Przemysłowców 6 Street, 85-145 Bydgoszcz, NCR [KRS] 0000745040, NIP [National Tax Ident. No.] 953-275-37-04. If you have provided us with personal data of your employees or associates, we would like to inform you that this information clause also applies to them and it should be made available to them.
2. The data will be processed in accordance with the RODO [GDPR].
3. The personal data provided by you will be processed for the purposes of:
  - conclusion and performance of the contract, including ensuring the correct quality of services (legal basis – Art. 6 par. 1 letter b) of the RODO [GDPR])
  - performance of existing legal obligations on the Company (legal basis – Art. 6 par. 1 letter c) of the RODO [GDPR])

- pursuing claims arising from the contract (legal basis – Art. 6 par. 1 letter f) of the RODO [GDPR] - legally legitimate interest),
- marketing, if you consent to the use of data for this purpose (legal basis – Art. 6 par. 1 letter a) of the RODO [GDPR] - consent of the data subject) and on the basis of the legitimate interest of the Company (Art. 6 par. 1 letter f) of the RODO [GDPR]), - for self-marketing purposes consisting in adjusting the content and advertising, for the purpose of analytical research for marketing purposes, for analyzing and researching traffic on the website.

4. Your personal data will be processed for the period necessary to achieve the objectives described above. Depending on the legal basis of the processing, it will be:

- the duration of the contract and the period during which claims arise from it,
- time of performing legal obligations and the time, when the law orders data storage (e.g. tax regulations),
- time until the withdrawal of consent.

5. The recipients of your personal data may be entities providing services to the Company / e.g. accounting services / and entities cooperating with the Company.

6. Personal data collected from you will not be transferred outside the European Union or the European Economic Area.

7. In relation to the processing of your personal data, you have the following rights:

a) the right to access personal data, including the right to obtain a copy of this data;

b) the right to request rectification (correction) of personal data - if the data is incorrect or incomplete;

c) the right to request the deletion of personal data (the so-called right to be forgotten), if:

- the data is no longer necessary for the purposes for which it was collected or otherwise processed,
- the data subject has objected to the processing of personal data,
- the data subject has withdrawn their consent to the processing of personal data, which is the basis for data processing and there is no other legal ground for data processing,
- personal data is processed unlawfully,
- personal data must be removed in order to comply with the legal obligation;

d) the right to demand limiting the processing of personal data - if:

- the data subject questions the correctness of personal data,
- the processing of data is unlawful and the data subject opposes the deletion of data, demanding their limitation instead,
- The administrator no longer needs data for his purposes, but the data subject needs them to identify, defend or pursue claims,
- the data subject has objected to the processing of the data, until the determination of whether the legitimate grounds on the part of the administrator are overriding the grounds of objection;

e) the right to data transfer - if the following conditions are jointly met:

- the data is processed on the basis of an agreement concluded with the data subject or on the basis of the consent expressed by that person,

- processing takes place in an automated way;

f) the right to object to data processing,

g) the right to withdraw consent at any time without affecting the lawfulness of the processing, which was carried out on the basis of the consent prior to its withdrawal, where the processing takes place on the basis of the consent of the data subject.

8. You have the right to lodge a complaint to the supervisory body if it is found that the processing of your personal data violates the provisions of the RODO [GDPR] or other regulations defining the processing and protection of personal data.

9. Providing personal data by you is voluntary and the consequence of failure to provide data may be partial or total inability of the Company to conclude or perform the contract.

10. Your data can be processed in an automated way.
